

Blue Fin Boats

Built With Pride

Bow Rider Bow Rider

About the Bowrider

The Blue Fin 5.35m BowRider is the ideal craft for general boating, skiing, fishing or diving. Engineered for fantastic stability, the boat is rated to a max 115Hp but performs beautifully with 90Hp making it very economical to operate.

The BowRider engenders a dry ride and has very safe and predictable handling. Ample seating, well positioned rails and an impressive degree of internal and external freeboard make this a perfect mid range family boat.
