Estuary Trekker 4.30

About the Estuary Trekker 4.30

Currently the biggest model Estuary Trekker that we make, the 4.3m has also been the biggest seller in the range. Solidly built with a 3mm bottom and gusseted construction the 4.3 Estuary Trekker, fitted with the maximum 50Hp, is a delightful well laid out craft that can be factory fitted with livewell and electric motor bracket for sport fishing.

Available with a Sidewinder sports side console that includes a molded dashboard and tinted windscreen, and fitted with 5 seating positions as standard, the 4.3 Estuary Trekker can be adapted to suit all your boating needs.

Customize your Blue Fin 4.3 Estuary Trekker in the paint colour of your choice, and match it with a factory fitted bimini and custom Blue Fin trailer. See your local Blue Fin dealer today to get you out on the water in style.
