Mangrove Jack

About the Mangrove Jack

Like its namesake this tough no nonsense sports fishing boat is at home in estuary and inshore waters. Its traditional hull provides a soft ride combined with outstanding stability at rest.

The Blue Fin 4.2 Mangrove Jack is our most popular sports fishing boat and is now available with plate sides. The reason the Mangrove Jack's are so popular are their exceptional handling, soft ride from the traditional hull and their outstanding stability at rest.

Mangrove Jack's are at home in estuary and inshore waters and are available with tournament style live wells and electric motor plates making them ideal for all styles of sports fishing. The Mangrove Jack comes with a front and rear casting platform and is available in tiller steer or side console options. Mangrove Jack now available with 2.5mm plate sides.
