Built With Pride

**Weekender** Runabouts

## About the Weekender 4.5 / 4.75 / 5.0

The Blue Fin Weekender range is specifically designed to optimize space and comfort and is the ideal family craft. The step down cockpit means you are not cramped for legroom while seated or standing and the open plan layout which includes a fold down upholstered lounge. There is plenty of room for passengers and all the cargo needed on a day out in the water.

Stylish molded side panels with inbuilt side pockets form part of the LEVEL positive floatation that is an important safety feature when you have family on board. The swept back screen that gives you great protection from the elements opens up to give you access to the large anchor well on the foredeck. Great for fishing, skiing and tubing you and your family will enjoy your time on the water in a Blue Fin weekender.

Customize your Weekender in the colour of your choice, match the decals and factory fitted bimini and set it up on a custom Blue Fin trailer. See your Blue Fin dealer for a great deal and the right advise.
