

2050 Fish'r

Adventure with Confidence

The largest in our practical no-frills Fish'r range, this boat has been designed to take the fisherman (and his friends) further afield. A large cockpit, walkthrough bonnet and non-feedback steering are welcome standard features to this model and the hull is made of low-maintenance, marine-grade aluminium alloy. The positive buoyancy™ tubes give life-ring security while the distinctive hull shape and stepped chines make for superior handling.

Specifications

Length	6.27m
Max Adults	7
Recommended HP	115hp
Maximum HP	150hp
Leg Length	25in
Fuel Tank	150l
External Beam	2.31m
Internal Beam	1.62m
Deadrise (measured at transom)	17.5
Tube Thickness	3mm
Hull Thickness	5mm
Reserve Buoyancy (Approx)	1800l
Dry Hull Weight (Approx)	580kg
Tow Weight (Approx)	1050kg
Length on Trailer	7.3m
Height on Trailer (Approx)	2.22m
