

2250 Supercab

Adventure with Confidence

A 7.2m supercab with genuine GIII performance. Here the super slim profile of the positive buoyancy™ tubes that provide the virtual life-ring of all Stabicraft boats also delivers a generous 4.2m² cockpit, add that to an impressive list of standard features and it's a recipe for great value boating. The icing on the cake is the unsurpassed handling delivered by the distinctive hull shape and GIII chines.
