

# 659 Frontier

Adventure with Confidence

The Stabicraft 659 Frontier is the ultimate workhorse with unrivalled carrying capacity. Whether it's people, fish or even building supplies, this model was built to load. Along with the benefits of positive buoyancy™, the innovative hull shape was designed to capitalise on available horsepower and make handling a breeze - so fill-to-the-hilt never translates to reduced performance on the water. High gunwales provide generous freeboard, as well as plenty of side storage and the live bait tank under the transom step means there is a place for all the essentials. This model also comes with a designated casting platform as standard.

## Specifications

Length	6.7m
Max Adults	8
Recommended HP	150hp
Maximum HP	200hp
Fuel Tank	200l
External Beam	2.38m
Internal Beam	1.7m
Deadrise (measured at transom)	20
Tube Thickness	3mm
Hull Thickness	5mm
Reserve Buoyancy (Approx)	2235l
Dry Hull Weight (Approx)	800kg
Tow Weight (Approx)	1500kg
Length on Trailer	8.1m
Height on Trailer (Approx)	1.9m
