

759 GIII SC Sport

Adventure with Confidence

The first Super Cab to feature Stabicraft Marine's ultra-slim line GIII positive buoyancy™ tube, the 759 SC GIII Sport showcases nearly 10 years of design and engineering advances. The slimmer profile means despite its size this boat remains a genuine trailer-boat with massive off-shore range. A long range fuel tank, underfloor fish bin, optional transom box configurations and bigger V berth, all make this boat perfect for the fisherman with an emphasis on cockpit space.

Specifications

Length	7.85m
Max Adults	9
Recommended HP	225hp
Maximum HP	300hp
Fuel Tank	250l
External Beam	2.49m
Internal Beam	1.99m
Deadrise (measured at transom)	21.8
Tube Thickness	4mm
Hull Thickness	6mm
Reserve Buoyancy (Approx)	3300l
Dry Hull Weight (Approx)	1280kg
Tow Weight (Approx)	2550kg
Length on Trailer	9.5m
Height on Trailer (Approx)	3.15m
