

## 5.5 HARDTOP

If you thought the multi-award winning 5.5 Workmate couldn't get any better then think again! The Surtees design and development team have added the option of a hardtop that'll keep you all dry and warm. With a 2.15m beam and a 710mm freeboard this boat looks, feels and performs better than most 6-metre boats. One thing hasn't changed though, like all Surtees boats, the all new 5.5 Hardtop is still 'built to fish'.

### WHAT DOES YOUR SURTEES COME WITH?

Your Surtees start up package will also include motor fit-up, cables, battery, battery box, battery isolation switch, navigation lights, switch panel, bilge pump, cable steering, anchor, rope and chain, trailer, warrant and registration. With the 5.5 Hardtop we've included all these features as part of the total package:

### STANDARD FEATURES

- Water ballasted hull for superior stability
- 6 fully welded stringers
- Fully welded tread plate floor
- Sealed underfloor buoyancy
- 2 x Under floor storage bins
- Large dashboard area
- Toughened glass screens
- Large forward hatch
- Hardtop & rocket launcher
- Large shelves side/aft and front – ideal for dive bottle storage
